

MEMORIES OF READING—A TIMELINE

Directions: Create a timeline of memorable reading experiences in your life.

- Recall reading experiences in your life. Start with your youngest memory and end with your most recent. Take a moment to decide which experiences are most important to you. What did the event teach you about being a reader?
- Place those 3-4 important moments on the timeline below. Write your age for each one.
- Review your timeline. 1) How did they affect your view of yourself as a reader? 2) How did they affect your interest in reading?
