

## When I'm Finished

- After I finish one entry, I should start another one because some of mine are very short.
- I should return to one that's already written and see if I can zoom in some details.
- I should spend less time talking and more time writing.
- I should return to my entry ideas and add more moments to my list.

### GOALS TO INCLUDE IN A RUBRIC

1. Meeting the required number of entries per week
2. Increasing the number of lines written each day (word count)
3. Writing stories with personal importance
4. Writing about seed ideas in different ways
5. Dating all entries
6. Giving titles to strategies and assignments
7. Decorating the cover of notebook
8. Using strategies each day to organize and remember ideas
9. Writing in pen
10. Using quality details, dialogue, and actions in writing
